OF SURVIVANT RITUALS

It's a question
of literacy.

there is a "good" and "bad" way

of being free.

no
Dignity,
no doubt

How can a map change through time?
a map is a promise!

"that's my
secret

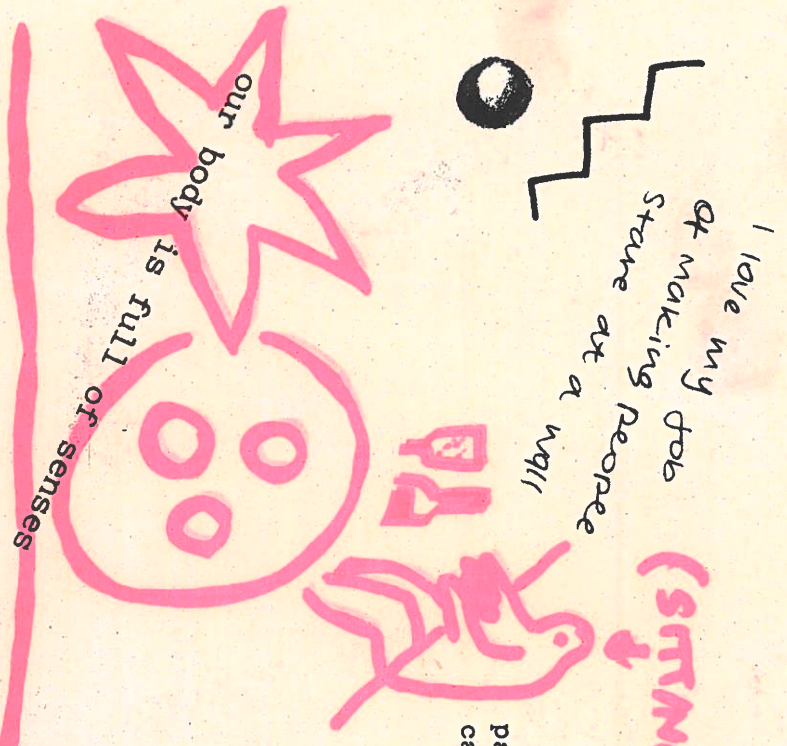

when
I don't know
what to do I
do more."

if something is accessible,
it is still not inclusive

my smartphone is

my extension to the world

we finally found the emotion
you enter in an intimate space

our body is full of senses
